

# Contents of Volume XV

## No. 1, January-February, 1953

The Central Representation of the Symbolic Process in Psychosomatic Disorders (Special Article)	Lawrence S. Kubie	1
Autonomic Response Specificity: An Experimental Study	John I. Lacey, Dorothy E. Bateman, and Ruth VanLehn	8
Psychiatric Aspects of Pain	Leo Rangel	22
Emotional Stress in the Precipitation of Congestive Heart Failure	William N. Chambers and Morton F. Reiser	38
Raynaud's Disease: Psychogenic Factors and Psychotherapy	John A. P. Millet, Harold Lief, and Bela Mittelman	61
Photically-Activated Electroencephalogram: Research Tool in Psychiatry: Preliminary Observations	George A. Ulett	66
News of the Society		84
Abstracts of Periodical Literature		85
Book Reviews		89

## No. 2, March-April, 1953

The Electroencephalogram in Psychological Disorders: A Review	Margaret A. Kennard	95
Studies of the Personality of Patients Suffering from Urticaria	E. D. Wittkower	116
Psychophysiological Factors in Ménière's Disease	Edmund P. Fowler, Jr. and Adolf Zeckel	127
Ulcerative Colitis: The Psychoanalyses of Two Cases	Aaron Karush and George Daniels	140
The Psychosomatic Concept in Dentistry	George L. Ross, Harriet J. Bentley, and George W. Greene, Jr.	168
News of the Society		174
Abstracts of Periodical Literature		175
Book Reviews		179

## No. 3, May-June, 1953

Emotional Reactions of Rheumatoid Arthritis to ACTH	James T. McLaughlin, Ralph N. Zabarenko, Pearl Butler-Diana, and Beattie Quinn	187
Dynamically-Oriented Brief Psychotherapy: Psychocutaneous Excoriation Syndrome: An Experiment	Philip F. Durham Seitz	200
Experiences in Group Psychotherapy with the Obese	Benjamin Kotkov	243
Psychotherapy of a Hospitalized Orthopedic Patient	Joshua M. Permen and Jack Rapoport	252
The Patient Sits Down: A Clinical Note	Abraham G. White	256
News of the Society		258
Abstracts of Periodical Literature		261
Book Reviews		265

## No. 4, July-August, 1953

Editorial Note		279
Psychotic Reactions Induced by Corticotropin (ACTH) and Cortisone	Gilbert H. Glaser	280
Studies on the Physiology of Awareness: The Interrelationships of Emotions, Life Situations, and Anoxemia in Patients with Bronchial Asthma	John W. Lovett Doust and Denis Leigh	292
Emotions and Hydrochloric Acid Secretion during Psychoanalytic Hours	George F. Mahl and Richard Karpe	312
Development of New Symptoms Following Medical and Surgical Treatment for Duodenal Ulcer	James S. Browning and John H. Houseworth	328
Electroencephalographic and Psychological Studies of a Case of Migraine with Severe Preheadache Phenomena: With Comments on Cerebral Vasospasm and Focal Hypertensive Encephalopathy	George L. Engel, Walter W. Hamburger, Morton Reiser, and John Plunkett	337

Age and Sex in Eye Injuries of Children	T. F. Schlaegel, Jr. and Philip F. D. Seitz	349
News of the Society		354
Abstracts of Periodical Literature		356
Book Reviews		362

## No. 5, September-October, 1953

Dedication		371
Animal Research and Psychiatric Theory (Special Article)	Frank A. Beach	374
Emotional Elevations of Blood Pressure in Trained Dogs: Possible Relation to Origin of Hypertension in Humans	C. M. Wilhelmj, Terence F. McGuire, John McDonough, E. B. Waldmann, and H. H. McCarthy	390
The Role of Olfaction in Normal and Neurotic Behavior in Animals: Preliminary Report	Jules H. Masserman and Curtis Pechtel	396
American Psychosomatic Society, Inc.: Eleventh Annual Meeting		404
Experiments in the Substitution of Symptoms by Hypnosis: II	Philip F. D. Seitz	405
Some Patterns of Somatic Displacement	Joseph G. Kepecs	425
The Physiological Differentiation between Fear and Anger in Humans	Albert F. Ay	433
Sympathetic Activity and Perception: An Approach to the Relationships between Autonomic Activity and Personality	Enoch Callaway, III and Samuel V. Thompson	443
Psychophysiological Responsiveness to Psychological Stress in Early Chronic Schizophrenic Reactions	Meyer Williams	456
Characteristics of Psychoneurotic Patients and Their Families as Revealed in a General Morbidity Study	Jean Downes and Katherine Simon	463
Nutritional Anemia in Children: Importance of Emotional, Social, and Economic Factors	George H. Pollock and Julius B. Richmond	477
Some Emotional Factors in Infertility	Therese Benedek, George C. Ham, Fred P. Robbins, and Boris B. Rubenstein	485
Pruritus Ani: A Psychiatric Study	Ida Macalpine	499
Gastric Acidity and Normally Produced Anxiety	Melvin H. Heller, Jacob Levine, and Theodore P. Sohler	509
Chronic Ulcerative Colitis: Effect of a Specific Psychotherapeutic Measure	Charles G. Craddock, Jr.	513
Ulcerative Colitis: Psychosomatic Conference of the Cincinnati General Hospital	William N. Chambers and Milton Rosenbaum	523
News of the Society: Members of the American Psychosomatic Society, August 15, 1953		533
Abstracts of Periodical Literature		540
Book Reviews		546

## No. 6, November-December, 1953

Panel Discussion: Psychophysiological Properties of the Adrenal Cortex: Recent, Unpublished Advances		
Introductory Remarks	Sydney G. Margolin	563
General Concepts of Adrenocortical Function in Relation to the Response to Stress	Frank L. Engel	565
Relation of Adrenocortical Activity and Adaptive Behavior	I. Arthur Mirsky, Robert Miller, and Marvin Stein	574
Psychic Effects of ACTH and Cortisone	Paul Goolker and Joseph Schein	589
Psychological Responses to ACTH and Cortisone: A Preliminary Theoretical Formulation	Henry M. Fox and Sanford Gifford	614
News of the Society		632
Abstracts of Periodical Literature		633
Book Reviews		635
Index to Volume XV		641
